

IDEAS FOR INSPIRATION: TEAM-BASED CHALLENGES

Human and Public Services

Parent Involvement	Prepare plans for various interactions with parents including sending communication home with students, parent-teacher conferences, family nights, etc.
Advocacy Plan	Research local legislative and regulatory issues and determine an issue to develop a campaign and materials to create awareness and gain community/voter support.
Further Evidence/ Arguments	Review legal documents and cases to determine what further evidence/arguments may have supported the case and suggest methods for how that information could have been gathered.
Program Standards and Goals	Evaluate results of programs and make recommendations for program goals and standards to establish in order to improve results.
Remote Learners	Develop solutions to enhance e-learning that address equity and access concerns - this could also include recommendations on how to support more hands-on engagement to minimize screen time in remote learning.

This resource was created by [Education Systems Center at Northern Illinois University](#).

The Illinois Work-Based Learning Innovation Network (I-WIN) is designed to help employers, educators, and students leverage innovative models for scaling high-quality work-based learning opportunities in school districts and community colleges across the State. This network explores ways to create equitable opportunities for students through both in-person and virtual learning.

Access a resource bank of Team-Based Challenge templates and learn more about joining I-WIN at edsystemsniu.org/i-win-resources/.
