

General CareerSpark Volunteer Sign-Up Email Template

Consider volunteering with us for the 8th Annual CareerSpark-JA Inspire experience on October 1 & 2, 2024, at the Peoria Civic Center!

The annual CareerSpark-JA Inspire opportunity is an interactive, hands-on learning experience for 8th graders in our region designed to help facilitate their career planning process, guide them in selecting their high school pathway and classes, and promote high-demand careers in our region. More than 3,500 8th grade students were impacted through CareerSpark-JA Inspire last year, and we are on track to reach that many or more this year!

You can find more information (including the recap video from last year) [here](#) and register to be a general volunteer [here](#). General volunteer roles include serving as a Bus Greeter, School Tour Guide, Zone/Exhibit Hall Monitor, and Lunch Helper. Let the fun begin!
